

PURPOSE: To create temporary parking passes for those who have vehicles on campus but not an MSMS parking pass.

INTRODUCED BY: Senator Malhotra

BE IT RESOLVED BY THE MISSISSIPPI SCHOOL FOR MATHEMATICS AND SCIENCE

SECTION ONE (REASONING):

To be able to park on The W's campus overnight, you must have a parking pass issued by the university. Sometimes paperwork can take up to a week for some students to be approved and receive their passes, causing students to worry about being ticketed for having a vehicle on campus without a parking pass.

During the second semester, students' parents **may** feel comfortable **allowing their students to bring** their vehicles on campus, and many students worry if they will be ticketed for not having a pass.

SECTION TWO (PROPOSED ACTION):

For MSMS in partnership with The W to make a temporary parking pass for students who have completed the required the ~~proper~~ paperwork and paid their due to receive a temporary parking pass until they have received the proper parking pass to put on their vehicle.
