

PURPOSE: For students who have received an unexcused absence for the first time the punishment as a level ONE and NOT a level Two (exception)

INTRODUCED BY: Aliyah Richey (Senator Richey)

BE IT RESOLVED BY THE MISSISSIPPI SCHOOL FOR MATHEMATICS AND SCIENCE

SECTION ONE (DEFINITIONS):

LEVEL TWO (EXCEPTIONS) – Level II violations (exceptions) will be carried over and accumulated for the entire year. No Level II violations will be carried over to the following school year

Unexcused absences - Unexcused absences will also be given for students who miss mandatory activities and events. In addition, unexcused absences will be given for both academic and non-academic events and activities that students commit to and fail to gain prior permission to miss. If students miss the first 10 minutes of an activity, they will be reported as having an unexcused absence.

SECTION TWO (REASONING):

Some things included in second level are some things such as lying to judicial court, Academic dishonesty (cheating). These are examples of level two violations and do not need to be something intertwined with simple accidentally oversleeping or checking out to deal with familial circumstances. Missing class is maybe something that you don't happen often. The first offense should not be punishable with a level two. After the initial offense it would be a level two (exception)

SECTION THREE (SPECIFIC CHANGE):

On page 9 of the Student Handbook (PDF page 130) the following would be changed to:
