

PURPOSE: To allow two hours for wellness to roll over to seniors in their first quarter who earned an “O” in wellness in their final quarter as a junior.

INTRODUCED BY: Komal Patel

**BE IT RESOLVED BY THE MISSISSIPPI SCHOOL FOR
MATHEMATICS AND SCIENCE:**

SECTION ONE (REASONING):

Two hours of wellness for the current nine weeks is promised to students who get an “O” in their previous nine weeks. These two hours are given as a reward to students who got the proper amount of wellness hours. Also, it provides an incentive for students to continue getting the proper hours.

Privilege plans are carried over from the previous school year; however, the awarded two wellness hours are not allowed to carry through to the next year. This rule was not specified in the guidelines emailed to us and can affect a student’s privilege plan.

MSMS students are busy and should be given consistency when it comes to managing their requirements. Giving senior students the two hours would adhere with the “Extra Credit” rules shown in the guidelines emailed to all students and clear up any confusion.

SECTION TWO (RESPONSES):

Response 1 (Anonymous):

“I did think that getting the two-hour rollover was a given, so I was surprised when I didn’t get all the hours needed for wellness. I ended up with an “S” because I was one point off for Wellness.”

Response 2 (Anonymous):

“Clarifying this rule and extending the privilege for the following year is a fair plan. This would have helped me get my hours. ”

SECTION THREE (APPENDIX):

A picture of the “MSMS Wellness Requirements” emailed to us on Monday August 14, 2023. The rules defining the extra credit are circled.

MSMS WELLNESS REQUIREMENTS

The Mississippi School for Mathematics and Science requires all students meet wellness requirements for graduation, which includes a combination of physical activity and wellness seminar participation. Requirements are as follows.

GRADING & CRITERIA

TO RECEIVE AN "O" (highest possible grade):
Student must acquire 15+ wellness hours and attend at least 2 wellness seminars

TO RECEIVE AN "S":
Students must acquire 14-15 wellness hours and attend 2 wellness seminars OR student must acquire 15+ wellness hours and attend 1 wellness seminar

WHAT IF I DO NOT MEET THE CRITERIA?
If students do not meet the required wellness hours (at least 14) or required seminar attendance (2 or more), it will result in a failing grade of a "U".

EXTRA

But wait! YOU CAN EARN EXTRA CREDIT...

Any extra seminars (more than the 2 required) may count towards extra wellness hours. 1 hour will be awarded for every 1 extra seminar attended.

Also, students who earn an "O" for the current nine weeks will be awarded 2 wellness hours towards the following nine weeks. (Example: Student earned an "O" in Wellness for the 2nd nine weeks, they now have 2 hours added to their total for the 3rd nine weeks.)
