

Wellness Seminar Guidelines

Overview & Purpose

To create a comprehensive understanding of full wellness for our residents while they attend the Mississippi School for Mathematics and Science through daily activity and seminars conducted within proper guidelines and parameters.

1 Physical Wellness

Taking care of the physical body

- Eating well, exercising regularly, student-led sport events
- Discouraging students from tobacco use, drug use, and illegal/excessive alcohol consumption

EXAMPLE: Basic CPR classes, meal prepping, stretches for stress management, etc.

3 Emotional Wellness

Addresses intrapersonal relationships

- Involves a better understanding of feelings and emotions.

EXAMPLE: Developing healthy coping strategies, interpersonal skills, counseling resources, discuss societal pressures

5 Intellectual Wellness

Involves maintaining cognitive stimulation to prevent mental stagnation and the lifelong process of mental challenges and creativity

EXAMPLE: Test taking tips, Trivia/Quiz Competitions, Study skills

7 Global Wellness

Includes the connection between personal wellness and the broader world

- Addresses intercultural awareness, environmental issues, diversity, and global unity.

EXAMPLE: Multicultural food festival or showcase, Recycling program, health practices/sport activities/holidays around the world, Adopt a Highway program

2 Social Wellness

Addresses interpersonal relationships

- Gives tools for successful and fulfilling relationships with family, friends, and others

EXAMPLE: Movie watch party, Celebrating success, making homemade treats

4 Spiritual Wellness

Involves finding meaning and purpose in life.

- Gives strength to cope with despair and helps to feel good about being alive.
- Spiritual wellness may or may not include religion.

EXAMPLE: Watch a movie with a moral dilemma and discuss afterward, "meditation" or quiet time with soft music for relaxation

6 Vocational Wellness

Addresses career goals and paths; finding a balance between life at home and life at work

EXAMPLE: How to create a Resume, Personal Strength Assessment (MBTI, Enneagram), Mock college/job interviews, Lifestyle skills (financial literacy, car mechanics, DIY workshops)

1. Every wellness seminar must approved by wellness supervisor(s) and/or Director of Student Affairs through submission of a **Wellness Seminar Request Form**.

2. Every wellness seminar **must have a sign-in or sign-up sheet and a staff/faculty member to supervise** and sign-off on the event.

3. Every wellness seminar must complete at least one of the aforementioned criteria to be considered. The Wellness supervisor(s) and/or Director of Student Affairs **have the final say** in deciding whether to pass a request on as a seminar.
