

**PURPOSE:** Signing out whenever you finish your last class rather than having to wait until 2:00 p.m.

**INTRODUCED BY:** Laykin Dixon

## **BE IT RESOLVED BY THE MISSISSIPPI SCHOOL FOR MATHEMATICS AND SCIENCE**

### **SECTION ONE (REASONING):**

Currently, Students aren't allowed to sign-out until 2:00 p.m. or after their last class. Students should be allowed to sign-out after their last class rather than waiting until 2:00 p.m. Signing out requiring you to wait until 2:00 p.m. causes an inconvenience for most students. When emergencies pop up you want to be able to leave as soon as possible, most people have a lot of things happening in the afternoon/nighttime like clubs, sports, and homework that doesn't allow them the opportunity to leave. Although we have a care closet available for Goen and Frazer for when you run out of things it can be embarrassing to ask for things when you need them.

### **SECTION ~~THREE~~TWO (SPECIFIC CHANGE):**

On page 92 of the student handbook (pdf page 97), the following will be changed:

## **SIGN IN & SIGN OUT / OFF CAMPUS PERMISSION**

### **General Guidelines**

RL.75. MSMS has jurisdiction over students at all times except when they are deemed checked out to their parents' care, consequently students are expected to adhere to all guidelines regarding sign in and sign out. Regulations governing sign outs are designed to give the staff reasonable knowledge of a student's whereabouts and thus a way of reaching that student in case of emergency.

RL.76. Any destinations not covered in the general permission slips in the admissions packet will need explicit parental permission. The parents can add destinations by sending a signed update through post mail, fax, or emailed attachment.

RL.77. To promote student safety, a staff member must evaluate and approve or deny each sign out request. The process of signing out to leave campus is done in the residence hall office, where a staff member reviews with the student the destination and duration of the requested sign-out. Students should allow themselves enough time to complete their business off campus but should not overestimate the duration to the point of excessiveness. **Students are expected to have a specific purpose and destination when seeking permission to go off campus. Ordinarily, any off campus trip lasting longer than three hours** (refer to privilege plans) is not permitted. The requested duration of the trip should be reasonable and will be adjusted if considered unreasonable by the staff member approving the sign-out.

RL.78. Failure to obtain a staff member's signature will be considered a failure to sign out.

RL.79. Sign-outs outside the Columbus city limits, or any water area such as the Columbus Lock and Dam, require specific and explicit parental permission unless students have prior permission on sign-out forms.

RL.80. Permission to access bodies of water for the purpose of swimming will not be allowed. Students are allowed to sign out to the River Walk during daylight walking sign-out hours, as long as their privilege plan permits it. If concerns arise over the safety of students, residential staff members may either require a group of three (3) students or temporarily limit access to the River Walk. Students will be notified in writing as quickly as possible if this becomes necessary.

RL.81. Sign-outs to non-MSMS athletic events are not allowed. (This does not apply to students checked out to go home or for an overnight sign out.)

There are several ways of going off campus – walking; driving; riding with other students, parents, or guests; and with staff on school sponsored trips. **Every time students leave campus, they must obtain permission from the appropriate MSMS staff member and sign out.**

RL.82. In general, ~~no routine sign-outs are allowed before 2:00 p.m. or the end of the student's last class, if later than 2:00 p.m.~~ no routine sign outs are allowed before the end of the student's last class, Monday – Friday. Return time will be determined by the privileges the students have earned and their mode of travel.

RL.83. Students may not sign out during required school activities. All requests to sign out during the academic day, required school activities, or study hours must be approved in advance by the Director for Academic Affairs. Juniors should refer to the Junior Plan in the Privilege Section of the handbook for their sign-out rules which are in effect until the first nine weeks grades are issued.

### **Off limits areas**

Any establishment that is not allowed to serve minors.
